

Sparkman Senator Football Booster Club

SHS Field House on February 21st, 2019 6:30 PM Meeting

Board Members in attendance: Frank-Christi-Julie-Bill-Siy Jackson-Fred

Meeting Minutes

Meeting called to order -Frank Brown (President) at 6:30 PM.

- **Welcome**- all meetings will be held first Thursday of the month.

-Board addressed that Verizon is going to change and charge a fee for REMIND App. We would keep communication open regarding this issue and are researching other alternatives.

Treasurer Report

-Current account balance is \$6,833. We do have a few outstanding P.O.'s

- Weight Room 2) Industrial washer and dryer. These are items that we are hoping to purchase this year. By purchasing the washer and dryer, we will save \$10,500 on dry cleaning uniforms.

-Fees can be paid at all booster meetings.

Fundraising

- The **SNAP** fundraiser is currently going. Parents need to make sure students have added their emails using the snap link. This will be the **only** fundraiser that can be applied to your fees. We will have additional fundraisers that everyone is expected to participate in. Fees have been lowered this year to make them more affordable but to keep the rates low, we must have everyone participating.

-You will need to remember that there are fees associated with this fundraiser, so make the goal on SNAP, \$700.00 not \$500.00. If you meet the \$500.00, after fees you will still owe player fees. Give yourself enough cushion on the fundraising. \$700.00 will be a better goal.

- Options were given for future fundraising. Madison County Board limits us on how many we can do.

Meals

Any student with a food allergy please let Julie know.

All player will be fed prior to each game. Meals will be catered from several businesses.
