

Parents,

Wanted to remind you of some upcoming events! Today we kick off our Boston Butt fundraiser! The students will sign for tickets today in class. Please encourage them to sale as many as they can. People can by a Boston Butt for Mother's day and Mom won't have to cook. Also, bring her car to pick them up and get it washed for her. The date for pick up is Saturday, May 11<sup>th</sup>. Flyers will be attached to this email. In addition to the students washing cars, we could also use some parent volunteers to make things go smoothly. Please let us know!

Also, this Thursday is a **Booster meeting** and a make up for the previous mandatory meeting. All documents will be available and questions can be answered for the upcoming season. Learn about Dragon Fly Max and the BSN store. We will also have copies of the summer schedule. Fee payments can be made as well. Last day for the early payment special is June 20<sup>th</sup>!

**Important Dates:** (Also see attached calendar)
